Dear khalil ben anane,

We're pleased to inform you that your IELTS test registration is now confirmed. Your IELTS reference number is **A3-TN001-S-14300801**.

Important update for IELTS on paper

Please note, if you're not officially resident (so do not have the right to live, work or study) in Tunisia, you will not be able to sit an IELTS on paper test. However you can still take IELTS on computer without any residency requirements.

If you do not hold a Tunisian nationality, you'll need to show proof of residence by email at least three days before your test date.

If you can't do this, we will cancel the booking and refund your test fee. You will then be able to take IELTS on computer.

Please note:

* Do not make any non-refundable travel arrangements until you have satisfied all necessary requirements and had confirmation from the IELTS team.

* If there are fewer than three days remaining before your chosen test date, then we will cancel this booking.

This is an IELTS partner policy and applies to all IELTS on paper tests in Tunisia delivered by IDP Education and the British Council.

Thank you for your understanding.

Please note that confirmation of your registration does not guarantee your eligibility to sit the test.

Please ensure that a valid copy of your identity document has been provided to the test centre. You can do this by logging in to the Test Taker Portal.

We will review your ID copy, and will contact you in case of any issue with your document. If your ID document is missing, we will cancel your test.

You can log in to your Test Taker Portal account to find all relevant test details and to contact us.
